

Make your message resonate

Resonance Revolution

Companies often make decisions by counting **likes** and **views** to measure **sentiment**.

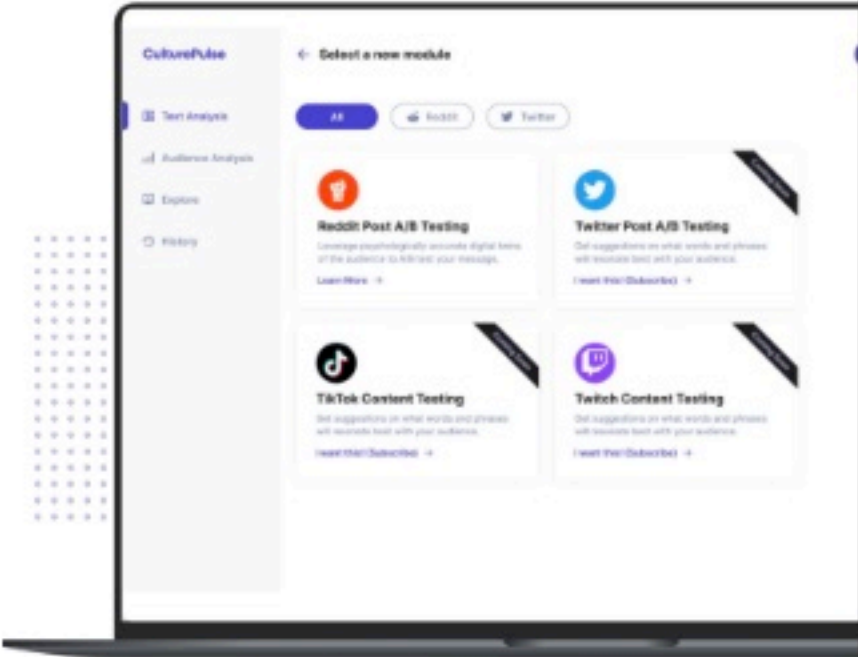

CulturePulse helps you capture the **beliefs** and **motivations** of your customers so that you can **predict** their buying behaviors and craft resonant messages.

Product

CulturePulse is a marketplace that enables marketers to conduct **research** and **audience testing** more quickly in a safe environment.

Brands can now **gather** and **analyze data** in all major languages, predict customer behavior, and highlight the most valuable findings.

Roadmap

YEAR 1: Q4

Launch the SaaS product and prepare for the launch. Hire a full-stack developer.

YEAR 2: Q1

The SaaS platform is an evolving tool that will be updated with new features, tools and modules.

YEAR 2: Q2

The expansion of our team will allow us to develop a more robust proof-of-concept for Twitter support, utilizing social listening on publicly traded financial instruments.

YEAR 2: Q3

Hiring a Sales Manager to grow our sales team in the US and EU. Hire director for government contract support.

YEAR 2: Q4

Expanding our platform to enable matching brand identity to influencers who match and resonate with the brand identity so that companies in influencer marketing can leverage brand resonance more effectively.
